

One Model Railway Club

Exhibition Managers Fact Sheet: Bramford West
Correct: Nov 2008

The one model railway club welcomes invites for its layouts to other exhibitions. This fact sheet is produced to help Exhibition Managers when organising a show.

Layout	Bramford West		
Scale	00	DCC	No
Plug Sockets Required	1	Operators	3 or 4
Transport	Van	Layout Size	10ft x 4ft
Insurance Value	TBC	Cost	Reasonable costs, dependant on location
Layout Era	1980s onwards	Traction	Various
Barriers Required	No	Current Status	Running, Available for Exhibitions
Program Information			
Bramford West is an important Mainline depot based in the East Anglian area where maintenance and servicing take place to locomotives.			
The layout also features a very early simulator of a Class 86 and is an excellent example of an up to date modern depot.			
Exhibitions Booked	Sat Aug 22 nd 2009, Needham Market	Exhibitions Attended	Needham Market 2008
